Giving Back: Our July Volunteer Spotlight

Driving Support at the RMHC Annual Golf Classic

On July 16, 2025, MC Squared Energy Services, LLC (mc²) proudly participated in the Ronald McDonald House Charities (RMHC) Annual Golf Classic at Cog Hill Golf & Country Club in Lemont, Illinois. This event brought together community members and organizations with a shared mission: to support families with hospitalized children by keeping them close to the care and resources they need.

Thanks to the collective efforts of participants and sponsors, the event raised over \$640,000. These funds directly contribute to RMHC's essential services, such as providing comfortable accommodations, meals, and emotional support to families during challenging times. By alleviating the financial and logistical burdens, RMHC enables families to focus on their child's health and well-being.

mc² team members were honored to be part of this impactful day, enjoying the camaraderie on the greens and the shared commitment to making a difference. For more details about the event and RMHC's ongoing initiatives, visit their official page: rmhccni.org

Packing Hope with Feed My Starving Children

In addition to our involvement with RMHC, mc² team members dedicated time to volunteer with Feed My Starving Children (FMSC), a nonprofit committed to eradicating hunger by providing nutritionally complete meals to children worldwide.

FMSC operates by engaging volunteers to hand-pack meals formulated by nutritionists to meet the needs of malnourished children. These meals are then distributed to partners in nearly 70 countries, ensuring that children not only receive essential nutrition but also the hope and opportunity for a better future. Remarkably, each meal costs less than 30 cents to produce, making every contribution significantly impactful.

Our team found the experience both rewarding and enlightening, understanding firsthand how collective efforts can lead to substantial global change. For those interested in learning more about FMSC or participating in their mission, please visit their website: fmsc.org

At MC Squared Energy Services, we believe in the power of community and the importance of giving back. July was a testament to our commitment to making a positive impact, both locally and globally. We look forward to continuing our support for organizations that align with our values and encourage others to join us in these meaningful endeavors.
